The great outdoors...

Dear Parents,

Wow, what a week! Firstly, I must say a huge well done to you as parents for persevering and overcoming the challenging weather conditions and all the issues it brought up on the motorways and local side roads. We only had three absent on Wednesday and four on Thursday but some of these were due to illness not the weather so well done that was fantastic.

Your children have had so much fun this week making snow characters like 'Pear'cy (because we had no carrots so used a pear) and even snow castles which looked great. It was so lovely to hear the squeals of excitement and fun.

A HUGE thank you to Andy and his brother Bradley for not only clearing the snow and making the site safe for parents, children and staff alike this week but also for continuing with our planned project this week of our EYFS outdoors area, despite the weather. As many of you know this area has been a 'bugbear' of mine for a while. We will shortly be sending out a new EYFS inside and out video when all the activities are back out and everything is set up but for now here's a sneak preview (below) of the outdoor writing area. They have both worked so hard out there, in freezing conditions, so thank you so much. Thank you to Mrs Dickens for providing the plan and project managing it! I know she can't wait to get started out there, developing the outdoor continuous provision areas. In response to the pupil feedback, the bikes have been taken out of that area. Mini Governors reported that the bikes were getting too small or were in the way so we are going to extend the EYFS area next term out on to the side playground where there will be more space for bikes and some new planned sports equipment as the weather gets better.

Please remember the upcoming events- see diary dates... this week we have Come learn with me's in both classes and our Showbie coffee morning too.

A reminder about the clothes collections for the week commencing 6th February. Please just bring the clothes in bin bags (they have been unable to send over the charity bags and have said normal bin bags is fine). If you could bring them in the week beginning the 6th and no earlier only as we don't have any space to store them on site. Sorry.

Showbie Spotlight- I cannot believe how much has been added to Showbie this week. You have all been so busy. Lots of maths this week too! I have included a lot more than usual below as I honestly couldn't pick- there was so much this week, Well done to everyone for working so hard at home as well as at school! Here are just a few examples...

*With God's
love we can fly*

DIARY DATES 2022

24th January 2pm Acorns Come Learn
With me- Science

25th January 2.15pm- Oaks Come Learn
With me- Science

26th- Coffee morning- Showbie and 'show-off'

31st January- Come Read with me- Acorns
after school in the hall

8th February- Come Read with me - Oaks
after school in the hall

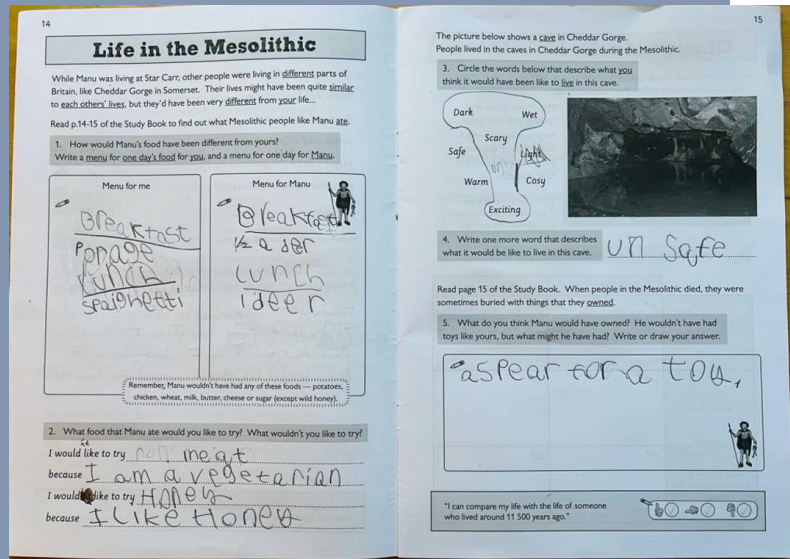

w/c 6th February- Rags2Riches collection
(see below)

14th February- Huxley's Got Talent

Have a wonderful
weekend,

Mrs Gourley

16th January 2022

Link multiplication and division

1 Write two multiplication and two division facts shown by each array.

a)

$4 \times 8 = 32$ $8 \times 4 = 32$
 $32 \div 4 = 8$ $32 \div 8 = 4$

b)

$4 \times 30 = 120$ $30 \times 4 = 120$
 $120 \div 4 = 30$ $120 \div 30 = 4$

What is the same about the arrays?
What is different?
Talk about it with a partner.

$320 \div 8 = 40$
 $320 \div 4 = 80$

2 Write two multiplications and two divisions shown by each picture.

a)

$3 \times 4 = 12$ $12 \div 3 = 4$
 $4 \times 3 = 12$ $12 \div 4 = 3$

b)

$3 \times 40 = 120$ $120 \div 3 = 40$
 $4 \times 30 = 120$ $120 \div 4 = 30$

3 Use the facts to complete the number sentences.

$8 \times 4 = 24$ $24 \div 4 = 6$
a) $6 \times 40 = 240$ c) $240 \div 4 = 60$
b) $60 \times 4 = 240$ d) $240 \div 40 = 6$

© White Rose Maths 2022

Fluency Tasks (1) continued:

4) Use ten frames and counters to show how many counters there are.

There are 34 counters altogether.

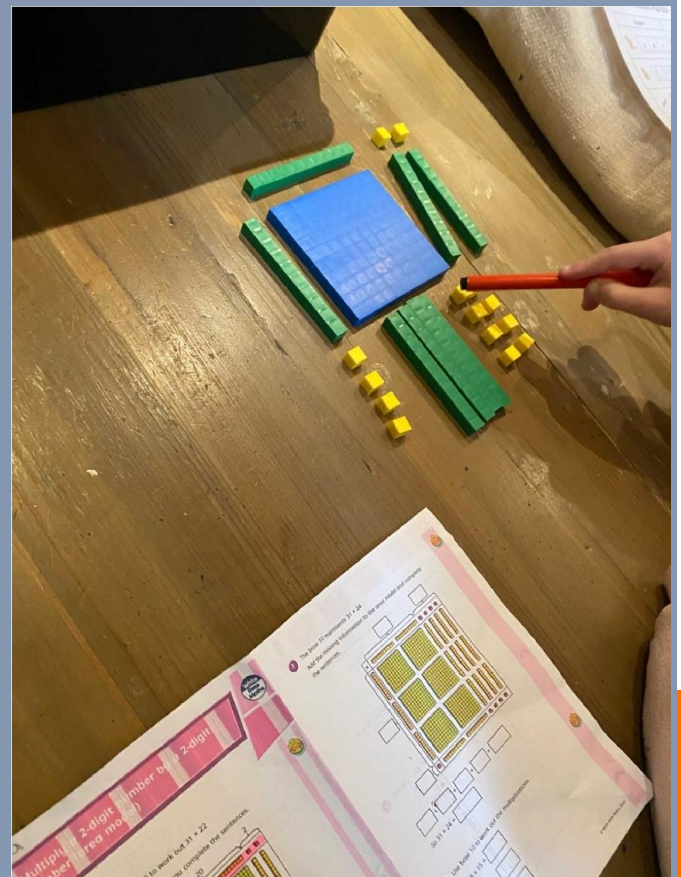

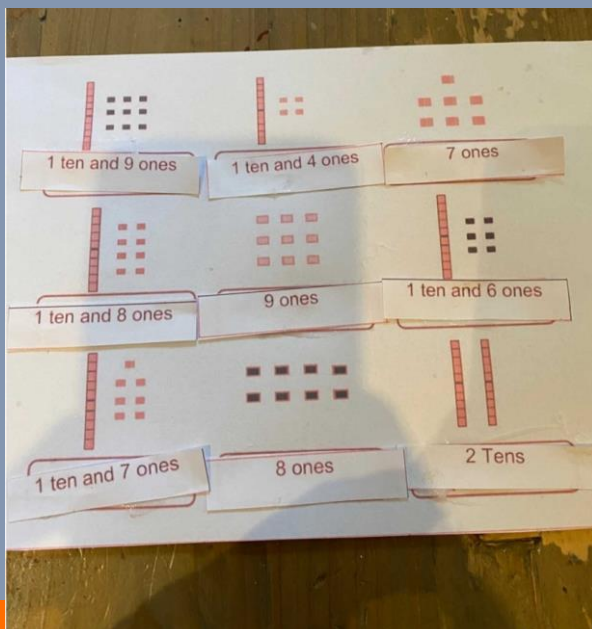

5) Use ten frames and counters to show how many doughnuts there are altogether.

There are 36 doughnuts altogether.

6) Use ten frames and counters to show how many ladybirds there are.

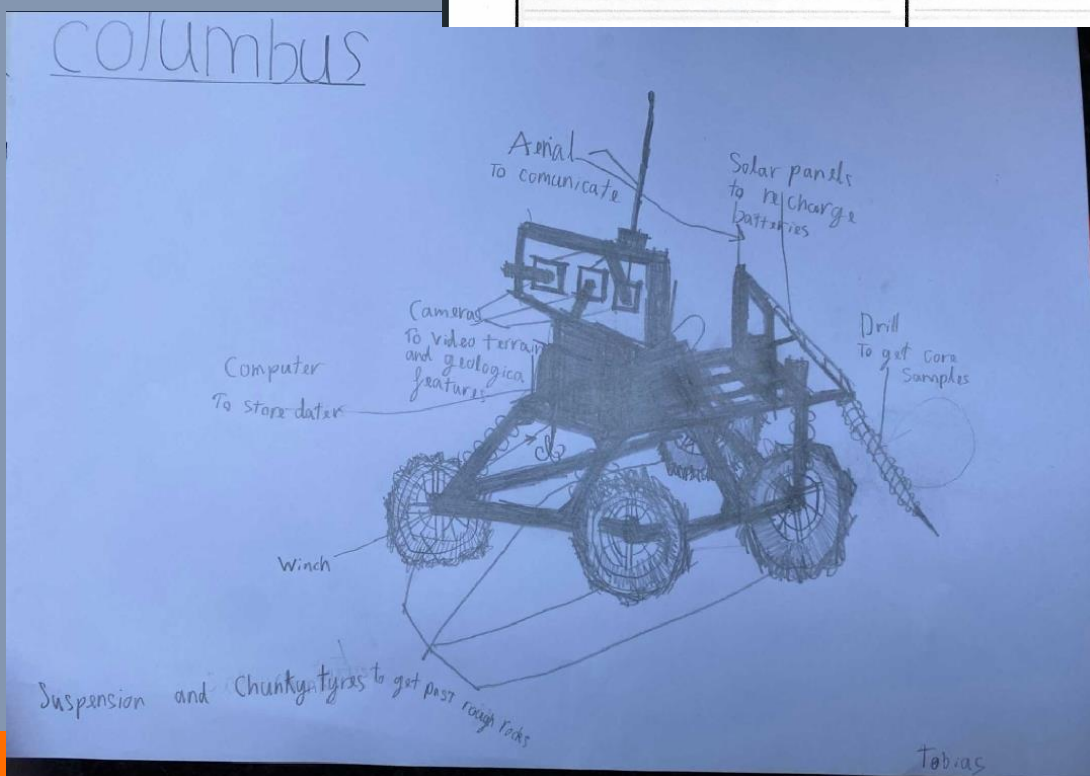

There are 43 ladybirds altogether.

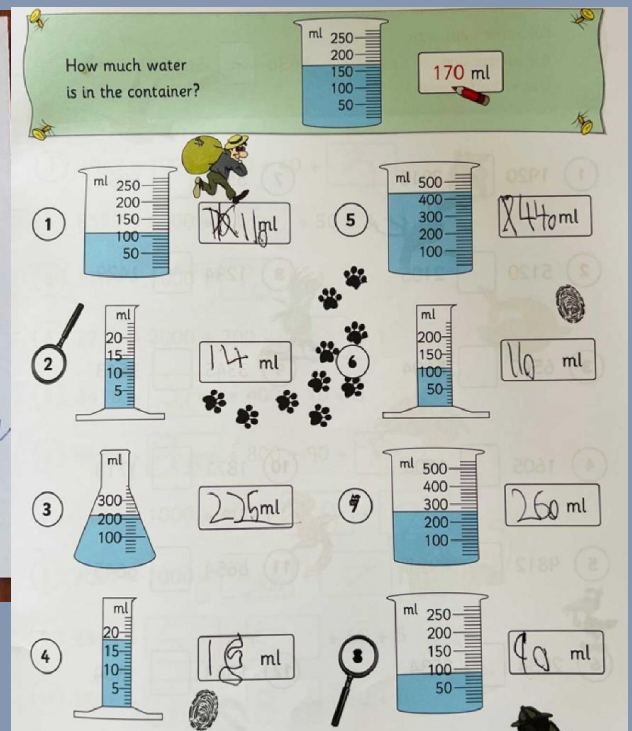

Reasoning 1	Reasoning 2
<p>Alex counts how many muffins he has.</p> <p>I have 34 muffins.</p> <p>Do you agree with Alex? No</p> <p>Explain your answer.</p> <p>Alex started at 30 but he should have counted from 3 on the number line.</p>	<p>Sasha is counting from 38 to 24.</p> <p>Will she say the number 19? No</p> <p>Explain how you know.</p> <p>19 < 38 and 24.</p>

HUXLEY DOVE PRIMARY SCHOOL

Raise funds by collecting reusable clothes

RAGS 2 RICHES
Schools Clubs Groups

WE ACCEPT CLEAN, GOOD QUALITY, DRY, REUSABLE CLOTHING

- ☒ Adults, Childrens & Babies Clothing
- ☒ Jewellery and Accessories
- ☒ Paired Shoes and Footwear
- ☒ Belts and Handbags

A full list of reusable items is listed on our website www.rags2riches4schools.co.uk

WE DO NOT ACCEPT

POOR QUALITY ITEMS SUCH AS DIRTY, WET, RIPPED OR SOILED CLOTHES.

PILLOWS, DUVETS, CURTAINS, BOOKS CDs OR ANY UNIFORM

If you are unsure what to put in the bags **STOP AND THINK WOULD YOU WEAR IT?**

Please use the clothing bag provided.
You can also use any additional bag if required.

Collection Date:

Monday 6th to Friday 10th February 2023
