HUXLEY CE PRIMARY SCHOOL

Newsletter

12th January 2024

DEAR PARENTS/CARERS...

What an eventful week we have had.

We are currently having new carpets fitted in the communal areas and classrooms. Other than the area where we had the flood when I first started here, the rest of the carpets, we think, have been down around 20 years- so it will be a lovely fresh feel to the school. We are trying to complete the works with minimal disruption to the children so hopefully they won't notice too much change but we may need to use different entrance/exits for the next week so please bear with us.

FOOTBALL FRENZY!

Yesterday we attended Chester FC's ground with some of our pupils. It was great to join with CDAT family of schools to take part in the Chester FC Football Experience Day. We were invited to send three boys and three girls to join ten other schools within the trust. Yesterday was the boys turn. They had so much fun! We look forward to sending three of our girls next week and attending even more CDAT schools events in the future!

I know some of the children were disappointed not to be able to go but the children were picked by random (from our Huxley spinning wheel!) and there will be other opportunities to attend other future events coming up. It was the fairest way we could do it. I hope you understand.

COFFEE MORNINGS AND CELEBRATION

As mentioned last week-

We would like to invite all family and friends and community members to meet with our IEB on the 31st to celebrate our move to CDAT. There will be cake and a chance for you to say goodbye to some of our members of the IEB as we move on to the next chapter of Huxley CE Primary School as we join the Academy Trust.

If you are wanting to join us from the community and are reading this online- please book in with our admin at admin@huxleyprimary.cheshire.sch.uk so we know who is attending for safeguarding reasons. Parents you do not need to let us know - just attend as you usually do and sign in on the ipad on arrival.
